Amdt date May 20, 2004
Reply to Notice of Allowance mailed March 9, 2004

REMARKS/ARGUMENTS

Upon reviewing the subject application, Applicant noticed that the filing date of one of the priority applications was incorrectly stated (by one day). This amendment corrects this issue. In addition, Applicant noted that one of the priority patent applications, filed one day prior to the present application, was not provided to the Office. Applicant has therefore amended the Cross-Reference to Related Applications section of the subject applicant.

Applicant respectfully requests that the Office enter this cross-reference amendment to the subject case.

Respectfully submitted,

CHRISTIE, PARKER & HALE, LLP
